## Muly Litvak

Muly Litvak is a musician, art collector and entrepreneur. He is the co-founder and owner of an investment company that invests in high-tech, start-ups and real estate development worldwide.

Litvak is the founder of high-profile ventures that have a significant impact on the online adult entertainment industry, specializing in the matchmaking and live-streaming sectors. He is a visionary who always tries to stay one step ahead.

"We live in exciting, historic times. The Blockchain era has tremendous potential and promises to change the economic order. In a very short time, it is going to disrupt many sectors and decentralize them, giving the power to the people. Those who make use of the decentralized platforms will have the opportunity to reap benefits that were previously limited to centralized companies and organizations".
